Look for this icon at the top right hand corner of our website

The **PATIENT PORTAL** allows secure electronic communication between the patient and Allentown Pediatric & Adolescent Medicine. **Messages will be viewed during regular office hours only.**

The Patient Portal allows you to:

- Communicate with your Provider regarding non-urgent concerns.
- View your child's immunization record along with other aspects of the medical record.
- Request and cancel appointments,
- Your Doctor will be able to share lab and test results as deemed appropriate.
- Receive completed medical forms

**You must be in the office to receive your activation letter.**

- Parents must have photo identification and their child's insurance card or birth certificate.
- Due to confidentiality concerns, children 13-17 years will not be activated at this time.
- Patients 18 years and older may activate the patient portal with the proper identification.

Please speak with our **Reception Staff** if you would like more information regarding the **PATIENT PORTAL**.
